TEST SESSION INFORMATION – PLEASE READ CAREFULLY BEFORE SUBMITTING

Please print clearly and complete all applicable sections.

As ice time and judging arrangements are scheduled in advance, no refund or credit is given for a scheduled test even if an applicant fails a prerequisite test taken at the same session. The test fees cover only a portion of the expenses of running a test session.

The Test Chair reserves the right to cancel an entire scheduled test session or an individual test due to unavailability of judges or a lack of sufficient tests.

Testers should be ready to test at least 1 hour before their scheduled test time. If the test session runs ahead of schedule and the skater is not present the test may be forfeited.

Applications & fees must be postmarked by the deadline for the test session. Applications postmarked after the deadline are accepted at the discretion of the Test Chair, and require a late fee of \$10 per test.

Checks returned by the bank will result in a \$30 fee.

All test applications must be completed and signed by the applicant (or parent/guardian), the appropriate coach or coaches and be accompanied by the appropriate fees. Non-BCFSC skaters must include a Test Permission Form.

Pursuant to US Figure Skating rules, any skater who is not an BCFSC home club member must provide a letter of permission from their home club. Individual members must supply a copy of their US Figure Skating membership card for the current year.

An applicant must, at the time of the test, have a current US Figure Skating number and be a US Figure Skating member in good standing. Applicants rejected by the US Figure Skating due to lack of membership will NOT receive a refund.

Incomplete applications will not be processed.

The number of tests will be limited for this test session. BCFSC home club members will have priority. All other applications are accepted on a first come, first serve basis. Skaters who cannot be accommodated at a test session will have the option of being placed on a waiting list for that test session.

Special requests for scheduling should be noted on the test form. When possible, special requests will be accommodated, but they are not guaranteed.

Pursuant to US Figure Skating rules all coaches must be listed on the USFS website as CER A or CER B certified to be with their skaters during the test sessions. No exceptions.
